

Daily Rates & Trophy Fees

www.ct-safaris.com

Rates and fees on this sheet can be used as **guideline** for what your hunt will cost. We are open to **negotiating a deal** with you individually and working out **tailor-made packages** for you – based on your **unique expectations**, what you want to hunt, how long you want to stay, and your own financial abilities. **Quality usually comes at a price.** However, we offer **significant discount to serious hunters.** Tell us what you would like to hunt, and we will work out a deal that benefits both you and us.

We offer **unique, value for money safari experiences** that compete with the best in the business at **reasonable prices.** Our pricing includes airport transfers, accommodation, 3 meals a day plus drinks, services of Professional Hunters, Trackers, Skinners and Camp Staff and use of hunting vehicles. You do not pay for arrival or departure days unless you choose to hunt on these days. Our prices are all inclusive in the true sense of the word! At CT Safaris, you pay **market-related rates and fees** for above market-related experiences. This is **“the difference!”**

There is no substitute for experience!

Serious, ethical hunters and their friends/families are always welcome in our camp.

Here you will get good value for money, true camaraderie, and most importantly – **the hunting experience of a lifetime!**
